BEACH BUNDLE

For every person on the planet, there are 21,000 pieces of plastic floating in the ocean. With the universal problem of ocean pollution rapidly growing, you don't want to be a contributor. Package Free is here to help with their Beach Bundle that offers all sustainable beach essentials.

SHOP COLLECTION

Never worry about getting sand in your bag again when you switch to a String Bag. With this bag holding up to 40lbs, you can easily store all your beach belongings.

\$20.00

Out of respect for sea turtles, choosing Stainless Steel Straws at the beach is a simple way to make a difference—one less plastic straw polluting the ocean.

\$9.00

Stay hydrated sustainably at the beach with your own reusable Package Free Water Bottle. It's a perfect alternative to single-use plastic bottles and comes in both 18oz and 27oz sizes.

\$29.00

Keep your hair away and soak in the rays while relaxing at the beach. These Biodegradable Hair Ties won't harm the environment if one slips away.

\$15.00

While enjoying a sandwich at the shore sounds perfect, seeing a seagull struggle with a piece of plastic wrap doesn't. Switch to Vegan Food Wraps to keep your snacks fresh without harming wildlife.
